

Hello Buckeye Vistors!

We hope this finds you and your family safe and healthy! These times in our world are certainly challenging. We understand that events at our venue will be a little different for the foreseeable future and it will be more work for our staff. We are ok with that because we are in the business to celebrate love and family no matter what obstacles we face. Our venue was built on these values and we believe that we all need love and family now more than ever!

We take the safety of our clients and their guests seriously. As events start happening again we wanted to let you know what we are doing here.

To help keep you safe:

- All Buckeye Barn Staff will be wearing masks.
- All Buckeye Barn Staff will have health assessments before their shift.
- Common touch surfaces will be cleaned (ex. bathrooms, railings, top, etc.)
- We will have floor markings for food and beverage lines to ensure social distancing.
- We will have hand sanitizer dispensers throughout the venue.
- We will ask that guests are spaced out in ceremony areas.
- We will have signs reminding guests to follow the current CDC recommendations.

We do encourage anyone that may not be feeling well and/or are considered high risk to stay safe at home. If you feel most comfortable in a mask, we encourage you to wear one. As well we do ask that if you have children accompanying you to please have them with you at all times to help limit unnecessary touch points.

If you feel that you are more comfortable staying at home we are excited to let you know that we working to create a live feed. This will allow you to still view the ceremony and reception online in the safety of your home!

If you have any questions and/or concerns please don't hesitate to contact us.

We are looking forward to hosting you and your family at The Buckeye Barn Venue soon!

God Bless!  
Joshua + Nicole Landis
